

## Movement of Crustal Plates

Fill in the correct terms in the spaces labeled a through n in the diagram using the following terms:

- |                         |                       |
|-------------------------|-----------------------|
| Subduction Zone         | Mantle                |
| Trench                  | Mid-Ocean Ridge       |
| Volcanic Mountain Range | Lithosphere           |
| Convection Current      | Lithosphere           |
| Ocean Floor             | Lithosphere           |
| Ocean Floor             | Less Dense Magma      |
| Continental Plate       | **Convergent Boundary |
| Seafloor Spreading      | **Divergent Boundary  |
